		科目碼	A0202

※本項考試依簡章規定所有考科均「不可」使用計算機。

本科試題共計 1 頁

Artificial intelligence (AI) has become a buzzword in recent years. How can university departments and programs specializing in English (e.g., Department of Foreign Languages and Literature) modify their curriculum to keep pace with this technological revolution? Write an essay of approximately 300 to 400 words to articulate your opinions. (100%)
